### ACCESSORIES

Inspired by the Fendi fur atelier designs, the Fendi and Thierry Lasry second collaboration for the sunglasses capsule collection features multicolour lines in bright colours. The collection features exclusive patterns that recall the structure of the Fendi furs as seen through a microscope.

### ACCESSORIES

SuperSox—wide range of socks which include printed, plain, colourful, funky, and royal. Their unique collections include bike socks, football socks, the Royale collection, socks for diabetes and blood pressure, wrist bands, knee supports and elbow supports.

### FURNISHING

Women who sleep well are often radiant and active than those who don't. Down and Feather's new range of ultra-plush accessories by Foam Home lets you experience luxury in its truest sense. Soft, smooth and plush, the texture of their products will certainly make you want to curl up in bed all day long.

Manufactured in collaboration with elite European sleep solution brands, their sleep enhancers are highly customised to suit Indian climatic conditions. Ranging from silky soft to firm, the collection of pillows, quilts, toppers and duvets are crafted out of high quality 'natural' materials, keeping in mind your highest level of hygiene and comfort. Time to get gorgeous as you sleep away to glory!
